LOCAL COMMUNITY ACTIVISM (CAMBRIDGE, Ma.)

2020- Member, Cambridge Club, established in 1879 and committed to the well-being of Cambridge.

2020 Wrote a 10-person Landmark Petition for the Middle East music emporium in Central Square (not submitted). See write up in [Cambridge Day](#).

2019 Helped to organize and write a zoning petition for Harvard Square (as lead petitioner) aimed at fostering local business and promoting a more vibrant commercial setting. This effort entailed a collaboration between the Harvard Square Neighborhood Association, the Harvard Square Business Association, Harvard University and other property owners in the Square, working collaboratively along with zoning attorney and developer, Patrick Barrett. This petition was approved by the Planning Board, and has undergone review by the City Council Ordinance Committee. It was recently passed by them for a full vote by City Council (on March 2). See articles in [The Crimson](#) and [The Chronicle](#).

2019 Helped to found the *Cambridge Citizens Coalition* dedicated to the promotion of transparency and good government in Cambridge. Created the CCC website and many of its blogs. This group was active in the 2019 election, in the course of which it added an affiliated Political Pac – the Cambridge Citizens Coalition Action Committee which hosted a candidate forum and supported a slate of eight candidates running for City Council. Drafted several letters to local newspapers on our candidates and goals. See articles in [The Chronicle](#) and [Cambridge Day](#).

2019 Helped to organize a citywide *Livable Cambridge* event, *How Big is Too Big*, featuring Jimmy Tingle as speaker and showcasing neighborhood leaders' views of core issues in each of their neighborhoods. See write up in [Cambridge Day](#).

2018 Wrote a 10-person Landmark petition for the EMF building in Central Square. The CHC voted in support of this petition and in 2019 this building received historic landmark status. See write up in [Cambridge Day](#).

2018 Helped to found *Livable Cambridge*, a city-wide group comprising the leaders of active neighborhood groups in Cambridge.

2017 Founded the Harvard Square Neighborhood Association (HSNA). to help in related efforts. Worked with Gladys Gifford and others to renew the then defunct Harvard Square Defense Fund into the HSNA, with 501c3 status. See write up in [Cambridge Day](#).

2017 Wrote a 10-person petition to rewrite the Harvard Square Conservation District Guidelines. This was approved the Cambridge Historical Commission. A working group was created by the City of Cambridge under Charled Sullivan, Director of the Cambridge Historical Commission that met and deliberated regularly. The final 90-page report was completed in Fall 2019 and voted on favorably by the Planning Board and the Cambridge City Council in Fall 2019. See Preliminary Report [HERE](#).

2017 Worked with the city to create a Harvard Square and Plaza Working Group to determine the future function of the Harvard Square Kiosk. The group met regularly and a final report was completed in 2019. The city is in the process of preparing the RFI. See Article in [Masslive](#).

2016 Worked with Our Harvard Square to write and file a 10-person Landmark petition for the Abbot Building (home to Curious George). This petition failed to be enacted by the Cambridge Historical Commission. Helped build a case and file a lawsuit against the city for this decision; the case was dismissed in Superior Court. Worked with the CHC and new building owners to improve the adjacent building design (currently under construction). See write up in [The Crimson](#).

2016 Harvard Square Kiosk. Worked with the new local advocacy group, *Our Harvard Square* to write and file a 10 Person Landmark Petition for the Harvard Square Kiosk. Helped to mount a 2200 person. Online Change.org petition to landmark and preserve the Kiosk and engaged the Society for Architectural Historians and its local affiliates in this effort. The requisite study was approved and enacted by the Cambridge Historical Commission in 2017. See Article in [The Patch](#).
