

Harvard Undergraduate Architecture Studies

2021/22

For students of Harvard College, Architecture Studies is a track within the Faculty of Arts and Sciences, History of Art and Architecture concentration, jointly administered by the History of Art and Architecture and the Graduate School of Design. Linking the GSD and Harvard College, the track represents not only a first chance for undergraduates to tap into the GSD's offerings, but also the enrichment that architecture and design thinking can offer to liberal-arts studies.

The following listing serves as a guide for design course offerings offered at the Graduate School of Design in the upcoming academic year that may be used to fulfill Distributional Requirements in Area of Emphasis and whose content and assignments are well-suited to Harvard College students. **For more general track information, please contact:**

Recommended GSD Courses for Harvard Arch Studies Undergraduates - spring 2022

Please note that this spring 2022, the GSD is limiting course enrollment capacities to a lower than usual number of students in order to ensure safe distancing in the classroom. Additionally, due to the impact of COVID-19, some courses will meet virtually for the first two weeks of classes while others will begin in -person from the first course meeting. **Please read carefully any course description linked below on the GSD website regarding the format planned for the class meetings this spring 2022.** If you have specific questions about course capacity or course content, please contact the course instructor listed for a particular course to clarify the course format for the term.

GSD spring 2022 course enrollments will open on January 22, 2022 and close on 11:59pm on January 28, 2022 via [my.harvard](https://my.harvard.edu). Please see the [link to the GSD spring course calendar here](#) for more information for planning purposes.

A note about grade evaluations: The GSD's courses are evaluated on a pass/fail scale by default. If you are hoping to use a GSD course as credit toward your concentration, you will require a letter grade as your evaluation. In order to obtain this, you must submit a request for letter grade evaluation to the course instructor by email (CC the GSD Registrar Sean Conlon, sconlon@gsd.harvard.edu) at the start of the term. Please be in touch Marcus Mayo or Megan Panzano at above emails if you have questions about this.
