

Harvard Undergraduate Architecture Studies

2020/21

For students of Harvard College, Architecture Studies is a track within the Faculty of Arts and Sciences, History of Art and Architecture concentration, jointly administered by the History of Art and Architecture and the Graduate School of Design. Linking the GSD and Harvard College, the track represents not only a first chance for undergraduates to tap into the GSD's offerings, but also the enrichment that architecture and design thinking can offer to liberal-arts studies.

The following listing serves as a guide for design course offerings offered at the Graduate School of Design in the upcoming academic year that may be used to fulfill Distributional Requirements in Area of Emphasis and whose content and assignments are well-suited to Harvard College students. **For more general track information, please contact:**
