Welcome

Welcome back! We hope everyone had a great summer and is looking forward to this academic year.

On July 19th, you should have received a message from the Undergraduate Program Coordinator regarding the advising structures in place for this year, but a summary has been provided below.

We already have many great events lined up exclusively for you as HAA concentrators. One of note is ***HAA Futures: Undergraduate Alumni Conversations***. Learn from, and ask questions of, three of our alumni about the career paths, opportunities, challenges and choices made in their post-graduate life. **This will take place on Wednesday, October 26th, between 6-7 pm. Attendance at this event is strongly encouraged.**

On **Thursday, November 3rd**, we will be hosting our annual **Undergraduate Town Hall**, an opportunity to meet your undergraduate student reps, share your experiences as a concentrator with the department officers, and provide constructive feedback.
