Welcome Back!

Happy New Year! We hope that you all had a restorative winter break. Course registration week is rapidly approaching. With this in mind, we would like to share a reminder of the advising structure for this semester:

- Professor Roberts will be on leave in the spring semester. Professor Patricio del Real will act as interim DUS. He will be **available on January 18th between 2-5 PM for advising meetings via Zoom ([book here.](#))**
- If DUS slots fill up, you cannot meet on the 18th, or would just like to talk before then, Marcus **will also be available for advising ([book a slot here](#))**. Feel [free to email](#) if an alternative time works better for you.
- Before your meeting, **please make sure to complete the relevant HAA progress worksheet** and [email this to Marcus](#) ahead of time. Links are below.
- If you do not feel that you need to meet, **please still complete and send an updated version of your progress worksheet to Marcus by the end of course registration week** so we can ensure you are on track to graduate, and that your academic record is up to date.
- Of course, you're also more than welcome to [reach out via email](#) with any questions you may have!
- [Find a copy of our curriculum broadsheet here](#). This provides a helpful summary of all HAA spring offerings. For architecture-track students, a [list of recommended GSD courses is here](#).
- **For architecture-track students**, the process for registering for a GSD course has changed. Instructions were sent to you on January 3rd, but please [reach out to Marcus](#) if you have questions or did not receive this email.
